MK SPEAKER KIT

Mike Koenigs

Arsonist of the Mind.

Ai pioneer. Five-time serial entrepreneur with five exits. 19-time bestselling author. Mike Koenigs is the rare speaker who combines world-class entertainment with real business impact. Audiences leave with the strategies, tools, and Ai powered capabilities to grow faster than they thought possible.

> *"When I asked Mike to teach my Abundance 360 Patrons community about Ai, I called him 'an arsonist of the mind in all the best ways.' Mike knows how to get the attention of any audience, get them engaged, see a bigger Moonshot future for themselves, and make it real with Ai. He knows how to make technology fun, engaging, and exciting for anyone who wants to live a bigger and more abundant life."*

BIO

Mike has taken the stage at NASA, the United Nations, MIT, Abundance 360, XPRIZE, Strategic Coach, Genius Network, and Tony Robbins' Platinum Partners, demonstrating practical, hands-on Ai in real time that helps founders 3x-10x their business effectiveness. Mike teaches founders how to use Ai as a creative partner that never sleeps, without losing the human heart of the business. His four-decade career includes work with Sony, BMW, AT&T, and 3M. A stage 3a colorectal cancer survivor and 14 years cancer-free, Mike brings urgency, reinvention, and practical execution to every room he walks into.

WHY ROOMS BOOK MIKE

- Turns complex Ai strategy into tools audiences implement the same day.
- Trusted on elite stages alongside Peter Diamandis, Joe Polish, and Dave Asprey.
- Creates visible "aha" moments that make organizers look like geniuses.
- Adapts seamlessly to keynotes, workshops, and intimate mastermind formats that he tailors for the room.
- Brings his own audience credibility. Your lineup instantly gets more attractive with Mike Koenigs' name on it.

> *"Mike is an extraordinary man. He's helped me immensely in the idea of how do I get my information out and engage my customers. He's been a consultant to some of the biggest companies in the world. Mike's figured out so many of the problems, and he solved them and automated them so you can get in business today at a different level."*
